

COASTAL CAMPERS

AUGUST 2026 PRICELIST

Built for Australia. Designed for Adventure.

At Coastal Campers, we believe that exploring our incredible country shouldn't cost the earth. Our campervans are thoughtfully crafted with care, precision, and decades of hands-on experience, purposefully engineered to handle real-life journeys across Australia. Built on the modern, highly trusted Toyota HiAce platform – boasting an impressive 5-Star ANCAP safety rating – every van combines efficiency and safety with the ultimate freedom of the open road.

The Ultimate Second Stage Craftsmanship

What sets a Coastal Camper apart is our uncompromising standard of build quality and strict compliance. As a certified Second Stage Manufacturer and licensed motor dealer, we professionally engineer and modify brand-new vehicles to full Australian Design Rules (ADR) and warranty standards. Inside, the premium craftsmanship is unmistakable; every vehicle features precision CNC-cut cabinetry, marine-grade wall linings, and soft-closing drawers, ensuring your home-on-wheels is built to last and completely road-legal from day one.

Simplicity and Freedom, Delivered Nationwide

Whether you are planning an extended family road trip or a quick weekend escape by the beach, our smart designs prioritise comfort, simplicity, and lasting value. No matter where your adventure begins, we make the process seamless with nationwide delivery straight to your door – from Perth to Cairns. Experience the difference that passion and precision make, and start your journey today.
